1. The following is an examiner's statement of reasons for allowance: The claims are allowed because the prior art does not teach the specific combination of algorithmic data processing steps and data type sets as required by independent claim 1, for removing noise from CUBE based (or 3D) seismic data. While the prior art may teach the various types of mathematical processing operations even within the seismic environment of utility, they do not teach the overall combination nor motivation for combining as claimed.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

2. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Donald McElheny, Jr. whose telephone number is 571-272-2218. The examiner can normally be reached on Monday-Thursday from 7:30 to 4:00.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Hoff Marc, can be reached on weekdays at telephone number 571-272-2216. The fax phone number for the organization where this application or proceeding is assigned is 703-872-9306.
